**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a very happy Sonic.net customer in Northern California and very concerned about AT&T's attempt to eliminate competition at the local level. I enjoy a very fair price for competitive residential internet service and save a lot of money that helps me make ends meet.

If we didn't have competition from smaller local service providers like Sonic, I would be forced to pay much higher prices through one of the large providers. This is unacceptable to me.

Thank you for your consideration to this very important matter.
